

Our Mission Statement:

The National United Committee to Protect Pensions (NUCPP™) exists to ensure pension funds of hardworking Americans remain solvent and beneficial to all members, retired and active. We are united in the effort to educate, inform and advocate for accountability, reform and restoration of multiemployer pension funds. We exist to make a difference and develop new standards to safeguard Central States Pension Fund and all multiemployer pension funds. NUCPP™ promotional services promote public awareness of the need to protect and reform pensions to ensure solvency for multiemployer defined pension fund participants.
